

Summer Institute on College Teaching
August 3-7, 2026 • University of North Carolina at Chapel Hill
Participant Application

Participant Name: Pronouns (optional):
Title/Position: Department:
Institution: Phone:
E-mail Address: Website (if available):

How many years have you been teaching? It's okay if the answer is 0!

List the course(s) you expect to teach during the 2026-2027 academic year, the anticipated enrollment(s), and if the course(s) is designed primarily for majors, non-majors, or both. Also describe your role in the course (e.g., course head, only instructor, one of a team, etc.). If you are not scheduled to teach this next year, feel free to list courses you have taught in the past and/or would like to teach in the future.

Table with 4 columns: Name of Course(s), Majors, Non-Majors or Both, Anticipated Enrollment, Your Role (Head/Only Instructor/One of a Team). Includes checkboxes for role selection.

We would like to learn a bit more about you. What do you hope to learn at the Summer Institute?

In your own words, describe what makes an instructor effective. What do they do to engage students, promote learning, and support students through challenging situations?

What challenges are you facing (or anticipate facing) as an instructor?

Do you have any accessibility needs (e.g., dietary restrictions, captioned audio, requirements for the physical space, etc.)?

I agree to:

- Use the teaching strategies taught at the Summer Institute the next time I teach.
- Participate in evaluation by answering surveys about the Summer Institute.
- Stay for the entire Summer Institute (August 3-7 from approximately 9 am until 4 pm most days).
